1. Use the first link if you are an NRC user
2. Use the second link if you are not an NRC user
3. Users who dial-in only via phone will not be able to join the meeting until another attendee has joined by completing step 1 above.
4. If using Skype over Citrix (which is not as optimal a service as VPN), choose the 3rd option "Don't join audio" and dial into the meeting from a phone. You will be able to see the video presentation over the Skype and audio via the phone.
