5/14/15

→ biological survey?

Haystack - cultural resource survey, consult of SHPO + TAPO

BIA Access
5/14/15

Jeremy DeGroat
Jason Ration
Bill Homestake (?)
Darlene Jackson
Mac 1 - Homestake

if it's emergency, we can cut fence

what form? EPA own requirements

505 863 8336

- stablish emergency

always get permit from BIA even if just doing investigation

→ Superintendent BIA regional office - Realty Office
(1) option - Ryan Hunter - Bertha Spencer
(1st line supervisor)
really hard to contact ← Sharon Pinto = Regional Director - Big boss
rining company had lease + we do work under that lease.
(2) option = get consent, access anyway consent

letter
temporary permit

handler arming issues

(3) Randy - biology survey not in Action Memo

→ BIA templates - environmental permit; reclamation

→ regional EPA requirements - EPA to draft it + send to Mr. DeGroat

if we leave ~~lease~~ waste = Lease w/ compensation but maybe if it's temporary they won't require it.

→ explain problem if we can't take it off property

non-emergency

- permit to get on site
- lease agreement - 25 years
- survey + appraisal - 25 CFR part 16L

Brown Vandever emergency work years ago - no permit issued

Get Emergency Permission from Ms Pinto

→ get permit
