Thanks Lucita. It looks like only OST filed a petition for review. Is that right?

Please find attached for purposes of service in accordance with the U.S. EPA Environmental Protection Agency Environmental Appeals Board's September 21, 2020 Revised Order Authorizing Electronic Service of Documents in Permit and Enforcement Appeals, a copy of the Petition for Review filed December 24, 2020 regarding Powertech (USA) Inc. UIC Class III Area Permit No. SD31231-00000 and Class V Area Permit No. SD52173-00000.

The attachments are quite voluminous (35 in all) and are not highly conducive to service via email (especially on a holiday). I would happy to send a flash/thumb drive if that is preferable, put them up on an accessible google docs/dropbox link, or I am happy to attempt email if that is preferable. They are all documents formally submitted to the administrative record in the comment phase. Please advise on your preference. Thank you.
