Hi Brandi,

Thank you for your response. I was just made aware that we have a conflict beginning at 11:00 am on April 1.

Will you be alternately available at 10:00 am on April 1? If so, we will send an invitation along today.

Thank you,

Bianca

Hi, Bianca,
I am doing well as we try to adapt to these challenging and unprecedented circumstances; I hope that you are doing well, too.

I am available for a call on Wednesday April 1st at 10:30 am EST. Please provide a call-in number or let me know if you'd like for me to provide one.

One item of clarity on the Information Request—though we appreciate EPA's flexibility in allowing staggered dates for responding to the requests, we were able to submit our responses to the requests in both Section A and Section B on February 21, 2020. Please let me know if you have any questions related to that.

Thanks, and take care.

Brandi

Hello Brandi,

I hope you are well and staying safe during this stressful time.

I know that you are currently preparing the final response to the Information Request. In the meantime, I wanted to set up a short call with you, my colleagues at EPA, and our DOJ attorney for the week of March 30th to make introductions and advise on what steps we are taking with regards to the Site.

Are you available for a call on Wednesday April 1st at 10:30 am?

Thanks,

Bianca N. Jaikaran
