Bianca:
Thanks for passing along the documents.

I am sorry to hear that you are not feeling well; of course we can reschedule our call.

Perhaps we can plan on 10AM EST/9AM CST next Tuesday (August 7). Let me know if that works for you, or if there is a more convenient time. After we settle on a time, I'll update the meeting notice.

I hope you feel better soon.

Subject: [EXTERNAL]Horton Iron and Metal

Hi Brandi,

I believe I caught a stomach bug and I can't make it into the office to retrieve the files I have on W.R. Grace for our call this morning. I do have what I consider to be the most pertinent files on my computer for the issue of establishing that W.R. Grace contracted Horton to demolish a building onsite during Grace's ownership, showing that thy were an operator at the Site and moved contaminated dirt around the property. I am attaching some files here. The aerials show the property with the building in 1958 and then without in 1960.

If it will work for you, I would like to cancel our call this morning and touch base again on Tuesday. Please let me know if this works for you and what time. At that time I can give you an overview of other documents they provided.

Thanks,

Bianca N. Jaikaran
