You can appeal the permits to the Environmental Appeals Board. Here is the EAB website for FAQs.

https://yosemite.epa.gov/oa/EAB_Web_Docket.nsf/General+Information/Frequently+Asked+Questions?OpenDocument#Format

#23 has the information for how to file an appeal.

You might consider working with a larger group like the Black Hills Clean Water Alliance on an appeal. They have a website and a Facebook page.

Where do we take action?

In a message dated 11/25/2020 12:45:05 PM US Mountain Standard Time, Robinson.Valois@epa.gov writes:

EPA has issued final Underground Injection Control Permits for the Dewey-Burdock uranium recovery project in southwestern South Dakota. You can find EPA's response to public comments document and other permit-related documents on the EPA Regional UIC website at:

https://www.epa.gov/uic/epa-dewey-burdock-class-iii-and-class-v-injection-well-final-area-permits

You are receiving this email because you are on the contact list for the EPA Underground Injection Control permitting actions at the Dewey-Burdock uranium recovery site in southwestern South Dakota.
