Subject: EPA issued final Underground Injection Control permits for the Dewey-Burdock uranium site: weblink to EPA documents

EPA has issued final Underground Injection Control Permits for the Dewey-Burdock uranium recovery project in southwestern South Dakota. You can find EPA's response to public comments document and other permit-related documents on the EPA Regional UIC website at:
https://www.epa.gov/uic/epa-dewey-burdock-class-iii-and-class-v-injection-well-final-area-permits

You are receiving this email because you are on the contact list for the EPA Underground Injection Control permitting actions at the Dewey-Burdock uranium recovery site in southwestern South Dakota.
