Re: Intermountain Power Project
B&W Ref: RB-614/615
Subject: Burners - Unit #1

Dear Chuck:

Attached for your use are five (5) copies each of the following Unit #1 burner erection drawing:

213945D-0	Adjustment Procedures - Register Linkage
STS List (3 Pgs)	Summary Of All Shipping Units

Please pass one set of these documents to IPSC. If you have questions or comments, please let me know.

Very truly yours,

Carl A. Palmberg
