1/8/92

Jim N.

Would you put together an outside contractor spec and ~~contract~~ proposal for LA on the following items:

T+B

flame stabilizer installation (B&W not doing work)
shroud installation (IPSC doesn't want to do work)
coal pipe restrictor installation

Jill put together

RJM

flame stabilizer
balancing/testing

3-D Air Modeling

Package all 3 separate PO's together

Aaron

Need by 1/15/91
