Hi Dan and Cami,
Please see the additional edits that Patty is recommending on the NEPA process. I'm good with these and propose we move forward this CMS response to incorporate them. Please let me know and I can send Bella back a clean version.

I'll also make the corresponding revisions to our standard response (for future CMS and email responses).

Thanks,

Hi Rebecca, Patty and Molly,
I wanted to make sure Dan's minor edits regarding the NEPA process are okay with you (see the redline in the attachment). If they are good with you, I plan to make the same changes to our standard response.

Thanks,

Matt/Cami -- I have attached a version of the letter with a few edits to have the NEPA discussion reflect where things actually are in the process. Please take a look and see if you agree that this captures it – don't know if Becky or anyone from her shop has reviewed.
