Ends up I had to leave with the Rosemont folks right after the meeting.
I hope to be in SF in another month or two. But give me a call any time you want to talk.

No, unfortunately I will not be able to be there but I would like to grab a cup when you are in SF.
I'd love to hear how things are going.

Hi John-

Are you going to the Rosemont meeting on the 7th?
I am not sure if I will be participating. If I do, I was thinking of staying a bit longer and maybe we could go have coffee or something.
