Rumor has it they own it now. I can't see how they could use any portion of it before the remedy is complete.

Jon,
As far as I know Cherokee has taken on the tax liability and is working on foreclosure. They won't be able to use it until it is cleaned up?
Ron

Hey Ron, curiously Cherokee claims they own the LCP property. Is that the case?

Dear Mr. Gorin,

We are the OWNER of this contaminated property.

The attached represents my comments regarding the proposed RI/FS, including the comments of Cherokee's environmental consultant, and Brookhaven BNL.

We look forward to engaging with you.

Thank you.
