Thanks Carrie. Do you know if they actually entered the Site? I can't imagine the cops would bust a lock on a superfund site, but who knows?

Carrie, do you know who showed up at the Site from Cherokee? I need to put the kibosh on before someone puts themselves in harm's way.

John,

FYI

People from Cherokee showed up at the Linden property with the police and someone from the tax assessor's office and wanted access to the LCP site. Don't really understand why they didn't just cut the lock and put their own on at

the road but whatever.

Carrie
