Hey Gary, thanks. Yeah, plenty of e-mails, but not as bad as I feared.

The ROD is pretty much drafted, and so far we haven't got any comments that would make us change it. The comment period ends in a couple of days, then I'll send it around for concurrence signatures.

Hello Jon.

Welcome back, and I hope the shutdown did not affect you too much.

Nothing else to report other than you do have a monthly waiting for you in your in box.

Regards, Gary
