Oeca Office of Compliance is developing general advice on what states can do. Info. from hq

1) data reported on production of mb. Sec 7 of Fitra. Oeca office of Compliance will id. everyone who produces mb + give that to the states.

2) office of Air. Reports submitted on mb distribution. Jeremy. organized by state. Rank distributors by amt. used by distributors.

3) Animal + Plant health inspection Service Aphis at USDA. ~~Who~~ Which applicators are authorized to use mb ~~ap~~ as part of q. Some office at Oeca will pull it together.

This will allow stats to determine if there are situations like in PR + USVI. No sense of timing.

Oeca will memorialize + i.d. timeline.

_ Naomi in R2 has list of distributors + importers.

Shari: broader information request comes later.

2016 Mb CUE at mb. to OMB in Feb. new production for calif strawberries + ham.
