On June 18, 2016, a 42 year old male was admitted to San Joaquin Community Hospital (Bakersfield, CA) after he intentionally ingested Spectracide Malathion along with gasoline, THC+, and alcohol. On June 24, 2016, the California Department of Pesticide Regulation, Worker Health & Safety Branch, forwarded a copy of the Pesticide Incident Report to the Enforcement Branch. No further investigation is required by the Kern County Agricultural Commissioner's Office due to the sensitive nature of this incident.
