12/3/13

re: Rosemont

returned call from Julia Fonseca - Pima County

longstanding problems w/ the DGTS + AFGTS

probable number of pre-decisional objections (County is currently assessing whether or not to submit) likely they will

agree w/ EPA's 11/7 letter.

"It would be inconsistent to not support (appeal).

water use + air quality

Church and/or Board members willing to go to HQ to discuss County's concerns.

Concerns

dark skies
geology
water contamination
aquifer
stormwater hydrology
planning for fire
sediments mgmt
