J M SORGE, INC.
JOB RELATED EXPENSES: EQUIPMENT/SUPPLIES/ETC.
(Subject to Change)

Steve,

After breaking down some of Sorge's invoices it occurs to me that maybe you want to call Jim Sorge to establish ground rules for billable expenses (truck usage, supplies mileage, administration, film processing at $55.00 per roll, etc.) It seems like nit-picking to me. I've also sent their subs invoices that I got from them along to you.
