Mr. Dodd:

Please see the attached letter from EPA Region 9's Air Division Director determining the applicability of the Standards of Performance for Other Solid Waste Incinerators Rule, 40 CFR Part 60, subpart EEEE to the FastOx Gasification Biorefinery at the Department of Defense facility Fort Hunter Liggett in Monterey County, California.

Please feel free to contact me if you have any questions regarding this letter.

Thank you,

Mario Abraham Zuñiga
