Mary – attached is the draft Year in Review document for your review. It's lengthy but it sounds like HQ wants to have enough info to pull from to get 2-3 pages from each region.

Thanks,
Brandi

Thanks – Also any AQ/Attainment/SIP achievements – such as FLA statewide attainment… and signing MOU with FLA on 404 Assumption

Mary – I talked to Molly a bit more about this. They are looking for the finished product to be approximately 2-3 pages per region versus the 1 page from last year. Since this covers the last four years, I will brainstorm some topics and maybe we can organize per year….

From last fiscal year up to last month, as a starting point, I'm thinking we can highlight the following (with associated press):

- AG MOUs
- WIIN Grants
- Superfund Deletions
- Small EJ Cooperative Agreements for pandemics and natural disasters
- Disaster Recovery Efforts in PR, South Florida and the Panhandle
- Brownfields Accomplishments
- TFW
- Lead sites

I'll work with the DDs on other potential topics and send you the recommendations.

Brandi

Subject: Year in Review

Colleagues:

It's that time of year again!

We need every program and regional office to submit their section for the 2020 year in review. This can include progress made on issues during the past few years. It doesn't have to be brand new. Please provide descriptions and make references to links to press releases, news articles, etc. Please ensure these sections highlight the notable progress made during the past four years and improves upon work done by previous administrations.

Unlike last year, we will need more than just a list of accomplishments. We will need something more substantial to work off of to guide the overall document that Molly Block, Micah Meadowcroft and Jess McFaul will ultimately compile and design.

Please see the 2017, 2018, and 2019 accomplishments reports below to give you an idea of what we will produce. We will need these submitted to Molly Block by COB NOVEMBER 23rd.
