Spoke to Allison Dennis this am about the "other stakeholder" language. She will talk to her boss and come up with language we can use here as well as when talking about the rulemaking that is clear but does not overpromise what we are doing. I will send it as soon as I get it. - Kathy

All looks good to me. Not to be nitpicky, but this seems off to me: Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

I also noted the acronym USACE in the last bullet, it is never defined and is spelled out everywhere else.

All,

Allison Dennis of OW contacted me on Friday regarding 404 assumption to coordinate and provide information in anticipation of Florida's filing.

Please see first draft of initial desk statement below which incorporates information OW provided to the White House along with input from WPD (lot of WH interest).

OW is discussing next steps which will likely include a press release from either HQ or the region once we complete review of the FDEP package.

Dawn – I spoke with Jeaneanne, and she emphasized with all of the various moving pieces a parts on 404 assumption, it is not critical that we have a desk statement on 404 assumption until FDEP has submitted their package, which will not occur prior to Sep 1. In the meantime, here is some basic information regarding where we are at this time.
