I had two suggested revisions on the EPA/DEP MOA (II(B)(5) and II(D)(8)) and one on the Corps MOA (intro language for V(E))

Thanks Simma for the catch on my out of office message- I've changed to read "October 29."

(Matt, your away message says that you are out the week of Nov. 29. Did you mean October 29 – though I talked to you this morning? Or do you mean November, in which case you probably shouldn't activate for awhile?)

R4,

David Fotouhi has signed off on these, and as I mentioned, would like us to share with the state (and the Corps one with the Corps whenever appropriate) as soon as your RA is ready. Please let us know if you have any comments or concerns. Could you also please let us know if/when the RA plans to send to the state?

Many thanks,

David,

Thanks for your input. Attached are revised drafts of the DEP and Corps MOAs, which we think are ready and appropriate for RA review and sharing with DEP, pending your review and approval. Alexis has revised the DEP MOA to

Ex. 5 Deliberative Process (DP)

We have also incorporated a few staff level comments from R4. We have highlighted those edits and explanations in yellow so that you can see them easily. We would remove the yellow highlight when sending back to R4.

Please let us know if you have any proposed edits, questions, or concerns about these drafts, and/or when you think they are ready for transmission back to the Region to send to DEP.

Thanks for your attention.
