Jeaneanne – Per our discussion, I'm forwarding the memo drafted for John Goodin to raise issues internally, draft letters to FDEP and the Services about designating FDEP a non-Federal representative., and my markups of the letters to FDEP and NMFS (the FWS letter would need the same edits).

Good Morning All,

I have attached for your review the letters to FDEP, to the Services and an email transmittal that has been drafted to be sent to Mary, Matt and Dave from John Goodin. The email transmittal sheds light on two issues that have been brought to light. In lieu of dealing with these issues, the draft letters to designates Florida DEP and the letters to the Services are at least ready to go when we receive guidance on how to proceed. Please note that the White papers are something that were given to the agency and we did not write them.

I hope everyone has a Happy Thanksgiving and safe travels if you are going somewhere!

Sincerely,

Stephanie
