Scott,

An external dropfile account was created for you to transfer the model files. You can access it by clicking on the link below.

http://dropfile.external.slb.com

and using the following account details:

Username: ellinger.scott@epamail.epa.gov
Password: SpzDxo

Try to Zip up all the model files and send them by the Dropfile account above. If that does not work, we will try another way.

Cheers,

Miln Harvey, Ph.D., P.Eng.
