Hi Margaret:

I do have one point that I just want to ensure you have considered. You have:

Ex. 5 Deliberative Process (DP)

I will not check my email past 3:45 today. I hope to be working some from India but until that actually happens I am not sure. So in the eventuality you send this back to me only after I leave, please send it directly to Gina after noting in your email to her that you have conferred with Karen and decided appropriately. I do not have any further comments.

Subject: FW: Request for funding: PAH RPF statistical support

Hi Ravi,

Got your phone message this morning. If you have no clarifying questions or comments for me regarding this request for funding and, therefore, "approve" of it, I believe the next step is to forward the material to Gina/Deputy Director, along with your statement of approval, for her review.

Ex. 5 Deliberative Process (DP)

Let me know if you need more information.

Thanks!
Margaret

Hi Ravi,

Attached is a proposed Task Order to support a request for funding to acquire statistical and revision support from SRC. this work is a continuation of revision efforts to bring the draft PAH RPF approach into closer compliance with recommendations from the 2011 Science Advisory Board review of the 2010 draft PAH RPF Approach.

Please let me know if you have questions or suggestions regarding this request for funds, and whether I should forward this information for further review, or if you will do that yourself.

Thanks!
Margaret
