We did see this for review but I didn't recognize any OLEM equities in the text.

Ross— does ORCR have comments? I can pull back our "no comment" response.

Just FYI, we (ORCR) have been helping out OAR (Mark, below) w/ some questions on the topic below, because our office worked on a rule 8 or 9 years ago related to the topic. Sounds like we could see a request from OCIR; if so, just so you have the context.

FYI. It appears that OCIR is coordinating this interagency review. You may receive this via your OCIR point of contact if you haven't already.

Subject: Firm Deadline: LRM: [JMB-117-23] -- Council on Environmental Quality Oversight Testimony on Carbon Capture Utilization & Sequestration

DEADLINE: 4:00 PM Friday, Jun 11 2021 - FIRM

Attached is a draft report from the Council on Environmental Quality on Carbon Capture, Utilization, and Sequestration. This report was required by Section 969 of the Consolidated Appropriations Act of 2021 and is scheduled to be delivered to the Senate Environment and Public Works Committee and the House Energy and Commerce Committee, Natural Resources Committee, and Transportation and Infrastructure Committee by June 25, 2021. This report was prepared in consultation with staff in the Departments of Agriculture, Energy, Interior, and Transportation, as well as the Environmental Protection Agency and Federal Permitting Improvement Steering Council.

By the deadline above, please provide your comments and edits. Note that this is a **FIRM** deadline. Extensions will not be granted.

Thank you. Thea
