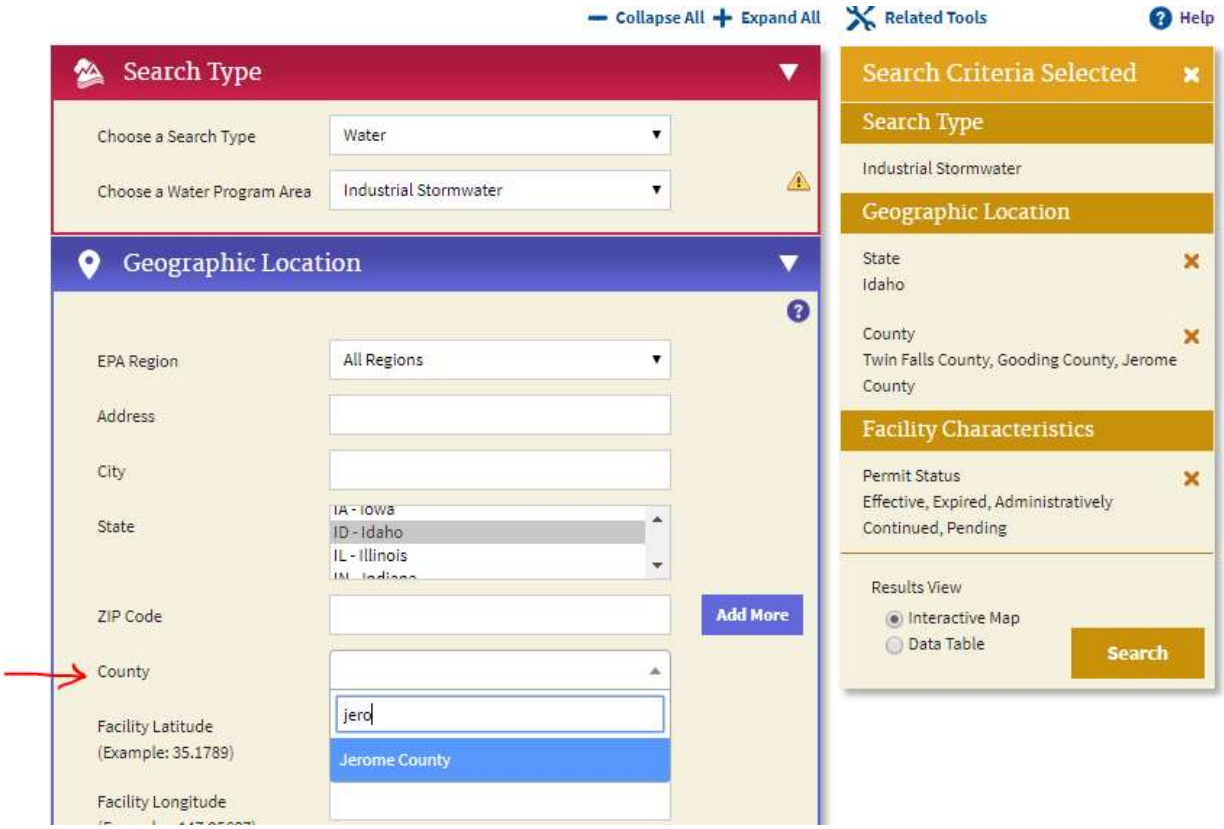
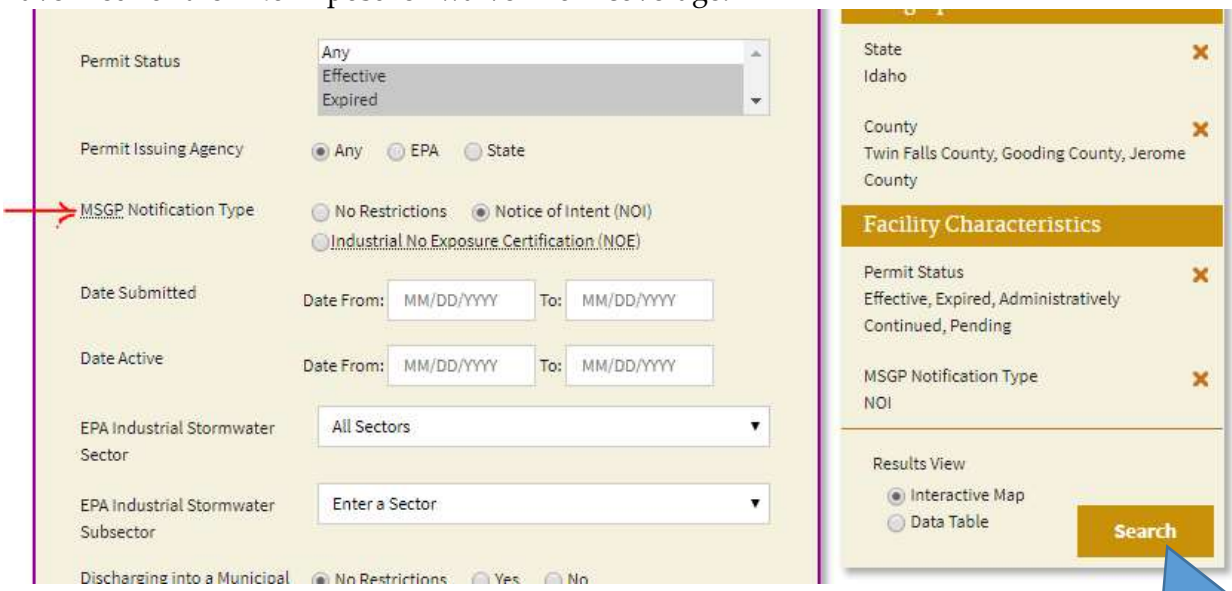
Who has coverage under EPA's Multi Sector General Permit (MSGP) for industrial storm water?

Real time information is available through EPA's search tool: https://echo.epa.gov/

Here is a screen shot showing "Industrial Stormwater" as the water program area in the Search Type box and "Idaho" as the state. The search shown narrows it down to 3 counties.



You can also select whether you want only "Active" permit coverage or also expired ones and facilities that have filed for the "No Exposure" waiver from coverage.



Once you have selected your data set, you can view in an interactive map or a data table
