Subject:	Priority Closing Report 13-LA-18 Female Ingested Fenarimol in Self-Harm Attempt
Date:	Wednesday, March 14, 2018 2:01:27 PM
Attachments:	image003.png 13-LA-18 Closing Report.pdf

Hello everyone,

On March 12, 2018, a 80-year old female was found unconscious next to a 100 mL bottle of Fenarimol fungicide, label in Korean. She was admitted to a hospital for an apparent self-harm attempt. Due to the sensitivity of the episode no investigation Is required.

Thank you,

Misael Martinez
