Report No.: 1609226
Project Name: Platform Elly - Weekly Produced Monitoring Correlation Test

Dear Ms. Diana Lang,

This report contains the analytical results for the sample(s) received under chain of custody(s) by Positive Lab Service on September 27, 2016.

The test results in this report are performed in compliance with ELAP accreditation requirements for the certified parameters. The laboratory report may not be produced, except in full, without the written approval of the laboratory.

The issuance of the final Certificate of Analysis takes precedence over any previous Preliminary Report. Preliminary data should not be used for regulatory purposes. Authorized signature(s) is provided on final report only.

If you have any questions in reference to this report, please contact your Positive Lab Service coordinator.
