Lisa

(7) Oregon Alliance for Toxic ... vom ? (an EJ) organization
= vulnerable populations
Will they include organizations in the study?

Tom Kerns – philosophy professor
(1) bring the community into every step of the study
= there's no community rep. yet
(2) there must be air study
(3) information along the way!
preliminary data, other

How can we trust ODA & ODF to build a legitimate study?

Chemicals are not being tested sufficiently

Did the industry spray
April 8 & 19
