DOH folks,

Attached are Matt's notes from the meetings last week, including some notes from the LNAPL call this past Tuesday. Please forward to Gary and Don Thomas.

Also, we would like to have a premeeting for the CSM webinar scheduled for Thursday March 29. If possible we would like to schedule the premeeting for Wednesday March 28. For us in California and Matt in Illinois the sometime around 1:00 pm PDT would be best. I am proposing a one hour call. Please let me know if you, Gary and Don are available and I will send an invitation with a call in number.
