Unfortunately due to a change in schedule the afternoon of the 24th is no longer good for me. however, the change means that the morning of the 24th has now been freed up so I would be able to participate in a conference call if it is concluded by 1:00 P.M

Luis.

Subject: Lower Ley Creek: Scheduling Next Call with EPA & DEC re Local
Disposal Option

Good morning, all

We are working with EPA to arrange a call with EPA and DEC to continue our group discussion regarding the local disposal option. Lauren Charney has informed us that EPA is available (after taking into account Cooper's
availability): Wednesday morning (after 10:30) and Monday next week.

As soon as you can, please let us know your availabilities for a call and we will circulate a dial-in.

Best,
-Davon
