Hi everyone, I hope you are all enjoying your summer. I am so pleased to attach a Memorandum of Understanding (MOU) between the Miele Trust (owner of the private portion of Rolling Knolls), Great Swamp National Wildlife Refuge, the Township of Chatham, and Great Swamp Watershed Association. The MOU lays out the parties' intent to support public use of the site for open space, wildlife conservation and passive recreation. The reasonably anticipated future use may potentially include public passive recreation which should be considered in the feasibility study evaluation of alternatives.

I look forward to seeing you in the fall when Fish & Wildlife field investigation report is complete.

Enjoy the rest of your summer.
Best, Sally
