Hi Pat,

I want to congratulate your team for the issuance of the South Fork OCS permit today! Good job guys!!

Now, we can all turn our attention to the controlled correspondence from Citizens for the Preservation of Wainscott (CPW) that raises issues with the ERC exemption for construction phase emissions and the substation cable that passes a residential community, among other things. Region 2 will develop the response to the substation cable and water issues. Ex. 5 Deliberative Process (DP) Ex. 5 Deliberative Process (DP) Rick is asking for an extension to the assigned deadline.

Thanks,
Suilin

Hi Jessica, Megan, and Brian,

Please see attached an incoming letter from a citizens group in Long Island concerning several issues, one of which is the CAA permit for South Fork, and specifically the change in requirements related to construction offsets. The letter was sent to the Administrator, but controlled down to Region 2 for response. See pdf page 21 of the attached for the CAA concerns.

With Brian's edits incorporated into the permit documents, we planned to route the South Fork permit for signature today, with a planned signature date by our RA on Tuesday, 1/18.

Hi Lynne and Cynthia,

Suilin sent to me yesterday an incoming letter dated 1/11/2022 to the Administrator concerning several issues related to the South Fork project. The author of the letter is from a Long Island citizen's group. One of the issues they raise is the South Fork CAA permit and the offsets policy. See pdf page 21 of the attached.

I plan to make OAQPS and OGC aware of this now, as well.

We planned to route for signature today the South Fork permit. Ex. 5 Deliberative Process (DP)

Hi Pat,

We were assigned this FOIA from a Gouri Edlich, a Chairwoman of the Citizens for the Preservation of Wainscott (CPW) to Administrator Regan. She wrote about the South Fork wind project transmission cable and EPA's proposal to not require ERC to offset construction phase emissions.

By the way, what is the status of the South Fork final OCS permit?

Thanks,
Suilin
