Juila-
Just in time. I was literally about to hit the send button on an email after speaking with Adam about nudging Brittany we need to see the draft questions.

We get 3 days to review those, so why do we need to get them back by Friday? Wouldn't it be Monday? We need to read a report on a study this witness worked on – so it will actually take more time & thought than a run of the mill what did you see/experience witness.

Thanks, Mary

Attached are some questions for an interview on 11/21 that Brittany is coordinating. If CRFLO has any comments, please let us know. Thanks. You are the last stop.
