Hi Julia,

See Brittany's message below. ECRCO wants a quick turnaround review of their draft proposals to ADC. My understanding is that this won't be a draft of the IRA – just broad strokes for ADC's board to consider at its meeting next week.

Your calendar is so free tomorrow that I assume you'll be out. Do you think someone in CRPG should take a second look after I've done my review? If so, who? Any legal showstoppers that you could imagine without seeing the document?

Thanks,
--Adam

Hi Adam,

Are you in the office on Friday? I ask because we are trying to get the draft commitments to ADC by Tuesday, the 29th and I am trying to identify an expedited review schedule due to the holiday weekend. I plan to get a draft to the ECRCO management and Region 9 by 1pm today and provide them with a 24 hour turnaround. Once, I reconcile their comments, I was going to send to you in hopes that you would be able to provide CRFLO comments by Tuesday afternoon. Let me know what you think. We do not believe there will be that many commitments identified solely for ADC.
