Hi Dale,

Per this week's meeting, I have attached the most recent email sent to ADC. The last call that Adam and I had with him was on 9/28 in which he stated that he would follow up with a draft agreement a few weeks later. I followed up via phone call in both October and early November.

Jeryl and I are tentatively scheduled to speak with HDOA this upcoming Tuesday. I gave her the heads up that ECRCO management would be reaching out to Hawaii leadership due to the lack of response from ADC. I should be able to gather additional information from HDOA, if needed.

The Acting Chair is Phyllis Shimabukuro-Geiser.
