This is the first time that the section we discussed appears in the resolution agreement. An HDOA addition, not ours.

Please see the attached red-line from HDOA. I will send out an invite to speak about this most likely for Friday to give us an opportunity to review and identify any questions.

I apologize if these documents are all messed up – it's late – and I was rushing to finish. That being said, attached is a draft with comments – black font is text from the original you sent – green font in black brackets and strike thru is deleted material – red font and underline is added materials. At least I hope I got all the colors correct. The other document is the draft with all the changes incorporated. Pass along to whoever needs to know.

Talk to you next week. Have a good week-end, or I hope you had a good week-end, whatever the case may be :)
