I think that's correct. I just met with Jeryl and Brittany on this and we are set to meet with R9 on Tuesday (Deldi sent us an invitation, which I believe I forwarded to you). Brittany is drafting up a JR. I also reached out to Julia, and she said that she is putting Mary and Adam on this.

Should we reach out to them before we meet with Region 9? Yes right? At the very least we can let them know that we have a lot going on through region 9 and let them know we are going to get a full briefing and then we can share that info with them as we figure out how to move forward. Is that right?
