Per our last conversation regarding moving forward with the call with recipients, I have updated the related planning documents. It is my understand that this call will be set for some time after the 8/11 briefing concerning ADC's recipient status arguments. In addition, I have reached out to Paul Achitoff (Earthjustice) to confirm whether there are any additional complainants who would be available for interviews. I have asked Paul to contact Lilian & Jeryl if those individuals may be available during my absence.
