Subject: RE: Follow Up Conference Call

Hi Brittany,

Thank you for following up again. We will be discussing the topic at the ADC board meeting, which is currently scheduled for May 30. I will have a better idea of any settlement authority after that, and hope to be able to present a possible solution. Given this, it may be more beneficial to postpone our follow up conference until June. I would still be willing to participate in the May 22 conference, but will not have much to contribute.

Thank you,

Andrew

Hi Andrew,

I just wanted to follow up with you in regards to my email below. Please let us know if ADC has any feedback in regards to our last conversation. I am out of the office tomorrow, but will be back on Monday, if you would like to discuss. Thank you.

Subject: Follow Up Conference Call

Hi Andrew,

I hope you are doing well. I want to follow up with you to see if ADC would like to provide any feedback or other follow up information to EPA in response to our May 1st conversation. In addition, we would like to continue our dialogue on Tuesday, 5/22. We have tried to block out the same time for the call, which would be 11am Hawaii time.

Please let me know if you still have availability and if you have any questions.

Thank you,
