I will verify the sections for completeness. The Part 7 regs footnotes were in the first draft. I will review Part 5 and add those too.

Importance: High

Folks please take a look at this version I added a bunch of stuff and clarified others. Still needs a footnote reference and maybe a tweak or two. Also, does this look too long? Any way we can delete/condense some of the stuff at the end or just go with this? I would like to send Andrew a draft by noon tomorrow if at all possible. Thanks!!

I'm still working on the agreement – had to clean up a lot of references to "recipient" and put ADC in instead. Also, the background needs a little work. I want to include a little back ground about what ADC is/does (and invite Andrew to tweak, including the 15 employees. Also want to make their ability to adopt the AG stuff a little clearer. Not sure I can finish tonight but will try.
