We got an email this morning from Brittany called "Re: Title 6 acceptance letter for HDOA complaint". (Now if she had applied the naming convention, you would have known what that email was about from the subject line.)

You're Cc'd on the email, but I'll forward it just in case.

What are you talking about?
I don't have anything about a call re: Hawaii.

Thanks, Mary

Hi Mary,

At least one of us should be present for the Hawaii call with R9, and since I may be out, I think we should respond to Brittany saying that you'll be there and I'm a maybe.

And no, there's no indication as to what aspect of the highlighted areas that R9 wants to discuss. I'll defer to your judgment as to whether we want to find out first.
