David,

Thank you for your quick response. I can schedule the meeting for Monday morning, November 29 at 9 a.m. or 10 a.m.

I have an appointment right after lunch so I would not be available again on Monday until after 3 p.m.

Does 9 a.m. work for everyone?

Respectfully,

Good morning Keith, hope you are well.

If we could schedule a conference call on Monday the 29th and discuss what your inspection timing looks like, we might be able to meet as soon as next week. We plan on being in the field Tuesday the 30th through Thursday 2nd inspecting TAV affiliated facilities; one of which is within a mile of the location we referred to you.

Thanks,
Dave

Brooke,

Thank you for the documentation. I have spoken with my Area Director, and we are approved by our Regional Administrator to go into the facility with your team. I have looped in my Area Director, Jeff Stawowy to this email so we can coordinate and schedule a Teams meeting next week.

Are you available to discuss these items and a schedule on Tuesday, November 30 at 10 a.m.?

I am looking forward to working with you as well.

Respectfully,

Keith,
Per our conversation last week, I put together a list of some of our concerns and identified areas where they are/were taking place. If you would like to meet to discuss the list or map please let me know. I look forward to working with you in the future.
