Subject: When we talked yesterday....

....I asked you to set up several meetings for Jeff:

1) Title VI including Deldi to talk about Alexis' interests and activities and the recent Hawaii Title VI complaint
2) Feedback from the recent Hawaii trip and the status of what we are working on in Hawaii

The third that I forgot to include is a briefing for Jeff on the entire WPS Initiative, with a focus on what we have done and plan for 2017.

Thanks.
