Hi. I don't need to review. But, please remember that Mary is back office support for CRLPG when it comes to Title VI, which means that whatever written product is transmitted to ECRCO should not have her initials in the title or her comments on it. Instead, all comments should come from you.

Thanks,
Julia

Subject: Hawaii interview questions

Hi Julia,

Mary and I have provided some comments on Brittany's draft questions for the HI Department of Agriculture. I should get them to Brittany by tomorrow. Care to take a look?

Thanks,
