Subject: # of pesticide applicators - for Patti's background paper

These are the numbers I am using for the briefing paper, which could be used to populate Patti's paper she sent out yesterday. CPARD does not have all the information for all the R9 SLAs for FY16, so I used FY15 figures.

		commercial	private
	Arizona	7910	511
	California	36109	18442
	Hawaii	1092	297
	Nevada	1537	295
	American Samoa	35	13
	Guam	163	6
	Northern Marianas	43	1
Total FY15		46889	19565
