I apologize if these documents are all messed up – it's late – and I was rushing to finish. That being said, attached is a draft with comments – black font is text from the original you sent – green font in black brackets and strike thru is deleted material – red font and underline is added materials. At least I hope I got all the colors correct. The other document is the draft with all the changes incorporated. Pass along to whoever needs to know.

Talk to you next week. Have a good week-end, or I hope you had a good week-end, whatever the case may be :)

Delanie
