Subject: Conversation with MARY GRISIER

TenBrook, Patti 8:47 AM:

Good morning. in those Title VI e-mails, the Recipients means ADC and HDOA? Lawyer talk puzzles me.

MARY GRISIER 8:47 AM:
I think that's correct. Why can't they just use plain language?

TenBrook, Patti 8:51 AM:
On that briefing material for the RA visit to Enright.... I'm thinking once you draft something, share it with Eric, Scott, me for review. Send a revised (if needed) version to Kathy/Thanne before sending to Amy. Zat work?

MARY GRISIER 8:51 AM:
Sure - will do.

TenBrook, Patti 8:52 AM:
Your projected schedule reminded me that our trip to Oregon is coming right up.

MARY GRISIER 8:53 AM:
Yes!! Can't believe it's next week. I need to review your suggestions for things to do!

TenBrook, Patti 12:30 PM:
Nan Singhasemanon, who is one of my water quality people at DPR and is the R9 SFIREG EQI rep, was asking who would be the "pesticide/environmental quality" person in Hawaii. Since Christina left, I'm not sure who that might be. I think Nan just wants to keep HI apprised of EQI activities and isseus.

TenBrook, Patti 12:30 PM:
issues.

MARY GRISIER 12:40 PM:
I think it would be Joey Chen (808) 453-5922 Fax: (808) 453-5924
