Subject: Conversation with GRISIER, MARY

TenBrook, Patti 8:41 AM:

GRISIER, MARY 8:41 AM:
yep

TenBrook, Patti 8:41 AM:

TenBrook, Patti 8:42 AM:

GRISIER, MARY 8:42 AM:

TenBrook, Patti 8:43 AM:
k

TenBrook, Patti 10:09 AM:
I'm on a call from now right up until the Title VI meeting so if you get any information go ahead and e-mail it.

GRISIER, MARY 10:09 AM:
OK -if I don't hear from him soon I'll call Christina. She'll know what's up

TenBrook, Patti 10:55 AM:
thx!

GRISIER, MARY 10:55 AM:
Phew!!

TenBrook, Patti 11:02 AM:
thanks again

GRISIER, MARY 11:03 AM:
sure!

GRISIER, MARY 11:04 AM:
A bump up in the revolving fund would be critical if they are to fund that chlrpyrifos study

TenBrook, Patti 11:05 AM:
uh oh, i don't know about that study

GRISIER, MARY 11:07 AM:
I don't know any more about it but it's in the text of the bill

TenBrook, Patti 11:08 AM:
oohhh; i'll follow the link

GRISIER, MARY 11:08 AM:
(y)

TenBrook, Patti 11:11 AM:

But the chlorpyrifos study is in the bill they don't like (SB804); are you saying they would fund that study even if only HB889 passes?

GRISIER, MARY 11:12 AM:
No -I think they would take money from the existing revolving funds that HDOA gets (250k)

GRISIER, MARY 11:12 AM:
so that's bad

TenBrook, Patti 11:13 AM:
so they're planning to fund that study even if no new funds are available?

GRISIER, MARY 11:14 AM:
If it passes, I believe so. Tom is not certain that either will pass

TenBrook, Patti 11:15 AM:
you're confusing me. if neither bill passes, they won't do the study? But if HB889 passes (only allows increased use of revolving funds without saying what for), then they would do it.

GRISIER, MARY 11:17 AM:
sorry. The study won't be done if SB804 does not pass.

TenBrook, Patti 11:18 AM:
got it.

GRISIER, MARY 11:19 AM:
HDOA wants an increase in the revolving funds to help fund more of their pesticide education/registration work

GRISIER, MARY 11:19 AM:
More staff

TenBrook, Patti 11:22 AM:
wish i could call, but i'm still on the other one. the registration work would include when they have UH do leaching studies on new chemicals?

GRISIER, MARY 11:22 AM:
yes - bingo!!

TenBrook, Patti 11:23 AM:
both bills are about revolving funds, but the SB has those tack-ons.

GRISIER, MARY 11:24 AM:
yes

TenBrook, Patti 11:24 AM:
OK; close enough.

GRISIER, MARY 11:27 AM:
I hope so!!

GRISIER, MARY 12:22 PM:
How'd it go?

TenBrook, Patti 12:22 PM:
Good; got to use the late update on the bills.

GRISIER, MARY 12:23 PM:
Fab!

TenBrook, Patti 12:23 PM:
Looks like we may get pretty involved. We can talk about it more next week.
